National Information Technology Center
Singhdurbar, Kathmandu

Clarification Notice No. 1
2078/8/21 (December 07, 2021)

This is to notify all concerned that National Information Technology Center, Singhdurbar, Kathmandu, Nepal has made following clarifications on the queries raised by bidder regarding the bidding documents for the **Supply, Delivery, Installation and Commissioning of Diesel Generator and Electromechanical Equipment**, IFB No.: NITC/G/NCB-8/078-79 as per the notice published on Kartik 28, 2078 (November 14, 2021) in the daily "The Rising Nepal" national daily newspaper.

S.N.	Reference of Bid Document	Bidders' Query	Response from the Purchaser
1	Section III, Qualification Criteria, Clause No. 6	Please delete this. Construction of generator house is regular activity for most generator suppliers. Sound proof house experience is ambiguous term. The tender is under goods category.	Please refer to Addendum Notice No. 1.
2	Section III, Qualification Criteria, Clause No. 7	Please delete this or ask 40% value of cost estimate which will enhance more participation.	This requirement is in line with the guideline of Public Procurement and Monitoring Office.
3	Section III, Qualification Criteria, Clause No. 8	Please amend with 40% value of cost estimate which will enhance more participation.	This requirement is in line with the guideline of Public Procurement and Monitoring Office.
4	Section III, Qualification Criteria, Clause No. 10	Kindly avoid Line of Credit as per format in bidding document which has been omitted by PPMO or accept Credit Facility documents from bank. Manufacturer/OEM Requirements	Please refer to Addendum Notice No. 1.
5	Section III, Qualification Criteria, Clause No. 14	Please delete this or ask 3 Country experience including manufacturer's country to assure fair competition. Reputed institutions like Nepal Telecom has 3 country experience practice as purpose of user will addressed with 3 countries, fairly.	Please refer to Addendum Notice No. 1.
6	Section III, Qualification Criteria, Clause No. 15	Please ask manufacturing experience of DG Set only which is key equipment in this bid & all others are related to genset. Asking such too many documents for too many accessories serving towards only one bid or no competition.	Please refer to Addendum Notice No. 1.
7	Section V, Schedule of Requirements, c. Technical Specifications, Clause No. 1.4	Approximately 37 sets of Certificate has been asked as standard of DG Set: Please do not ban DG Sets with country of origin as India. Omit this	Please refer to Addendum Notice No. 1.

		page as bidding document has asked standard certification already.	
8	Section V, Schedule of Requirements, c. Technical Specifications, Clause No. 1.8	Kindly avoid number of cylinders or allow range 6 – 16, which is not in practice at technically well informed government institutions in Nepal. Number of cylinders are design related matter among world's top 5 engine manufacturers. Number of cylinders has nothing to do with performance of 1000 KVA (800 KW) Out-put.	Please refer to Addendum Notice No. 1.
9	Section V, Schedule of Requirements, c. Technical Specifications, Clause No. 5.2	Please delete such standards for cable tray or allow IS (Indian Standard). GI Perforated cable tray standards should not ban reputed DG Sets.	Please refer to Addendum Notice No. 1.
10	Section V, Schedule of Requirements, c. Technical Specifications, Clause No. 6.1	Please delete such standards for cable tray or allow IS (Indian Standard)	Please refer to Addendum Notice No. 1.
